

'Life doesn't have to be perfect to be wonderful.'

THURSDAY 29TH NOVEMBER

Please check previous Bulletins.

1. Just to remind you that there will be no stamping of hands - but you will be given a wrist band – which needs to be displayed on your dashboard when you have parked. Please hand these in after your match/at the end of the evening.
2. THEN - **AND REMEMBER THIS IS MOST IMPORTANT** – forget the previous directions for parking - **TEAMS AS PER THE CAR REGS. HANDED IN - simply FOLLOW THE DIRECTIONS OF THE STAFF** - the first round (6.55 matches) will be directed up on the hill by the dome - the second round (7.50 matches) will be directed to an area by the astroturf - and the third round (8.40 Matches) will be directed up on the hill again. The advantage of this is that there should be no problems with changing over between rounds. However, please just keep your wits about you in case the Staff change things again.

UMPIRES and Desk Duty - park by the cabin.

I have confirmed that 6.50p.m. cars will be arriving 6.30 to 6.55 - 7.50p.m. cars will be arriving 7.30 to 7.50 - and 8.40p.m. cars will be arriving 8.10 to 8.40.

VERY IMPORTANT - the official list of Drivers and Car Registrations has been handed over.

Please be prepared to have your hand stamped (whether driver, passenger or pedestrian) - **BUT PLEASE DO NOT INTERPRET THIS AS AN EXCUSE TO HAVE MORE THAN THE LISTED CARS ARRIVING** - as you may be turned away - (I really don't know)

ARRIVE EARLY

ROUND 1 6.55 p.m. **start** instead of 7.00p.m.
 ROUND 2 As normal - 7.50 p.m. start
 ROUND 3 The 8.40 p.m. start may be delayed till 8.45 p.m. if absolutely necessary

TOILET provision - You will **NOT** be allowed into the main building - BUT - there is still a temporary 'Portaloo' adjacent to the Netball Cabin.

CONDOLENCES

Some of you will remember Chris Groves of Dudley Leisure Centre Netball Club - sad to say her husband passed away recently - he frequently escorted her to Netball events and indeed used to help with organisation. A card had been sent from the League.

<p>BEFORE EACH MATCH Please ensure that the Match Sheet is completed and the Match Fee is paid BEFORE going onto court - avoid the £1 fine.</p>	<p>FINE FORMS These are put into pigeon holes for your information - to help avoid repeating same - not for you to pay (as it comes out of your Club Compliance Deposits).</p>
<p>REGISTRATIONS Please ensure that all players are League Registered before going onto court. It is useful to have maiden names as well as married names – so that unnecessary fines can be avoided.</p>	<p>PLAYERS' PLAYER Please avoid making umpires chase you for your naming of Players' Player. Also twice a player has been named as Players' Player but without being named on the match sheet.</p>
<p>MATCH SHEETS Any change you need to make can always be made immediately after the match - and if you forget then simply email in BY NOON THE FOLLOWING DAY. I record names as written for each match on each Match Sheet - simply saying that 'that player didn't turn up to play' - cannot really be accepted as a bonafede reason for not being fined.</p>	<p>PLAYING KIT Most teams turn out resplendent in their designated kit (as per entry forms) BUT one or two teams are appearing in a multitude of colours and styles - in one team I counted 4 different styles of trousers (mostly multicoloured) and 5 varying tops. The 'KIT LIST' as per entry forms will be printed in the near future but meanwhile should any team have forgotten what they wrote please ask.</p>
<p>RECEIPTS Please keep these in your League Wallet - and do check the following week (after making any payment) that you have a receipt for any payments you make.</p>	<p>EVIDENCE OF AFFILIATION Some folk are still asking what is meant by 'evidence' - or they are simply providing a number instead of 'evidence' - please see previous Bulletins.</p>
<p>CONCEDED MATCHES Conceded matches due to playing an invalid player(s) MUST always be declared to : the opposing team, both umpires, and be written on the Match Sheet. Conceding a match due to non-appearance MUST be declared as soon as possible and I will always acknowledge by email. However, if this is actually on the Thursday involved please ensure that the information reaches me - I do check my computer frequently most (if not every) days BUT do make a note that 3.00 p.m. on Thursdays is the 'cut off' time – when car gets packed and I leave for Aldersley (and before comments are made that the journey shouldn't take 4 hours – there may be shopping or other visits to make on the way). I usually aim to be at Aldersley around 5.p.m. every Thursday and my mobile number is 07719 786879 - so please ensure you speak to me personally if I haven't responded by email or text.</p>	
<p>PLAYING AGAINST A 'YOUNG PLAYER' This can still be as challenging and athletic as when player a more experienced player - however, recently several of our younger players have felt intimidated by really unkind words being aimed at them - so I would ask you to avoid being guilty in this respect. These younger players do not ask for any special considerations - but there should be no threatening intimidation please.</p>	<p>PLAYER TRANSFER Temporary Transfer within a club (as per previous Bulletins) should be noted as 'TT AB' (their original team) on the Match Sheet. Any PERMANENT TRANSFER whether it be from one club to another club OR from one team to another team within the same club dictates that there can be no further Transfer Transfer (neither Permanent OR Temporary) during the season.</p>
<p>AFFILIATING THROUGH WOLUMPS (the League Affiliation process) It would help if players would ensure that all parts of the form are completed (especially writing the 'town' and date of birth and email address) – and that pens are used not pencils.</p>
