MATCH FEES

As most of you will know, the League gets 'invoiced' three times a year for the use of the courts - Sept to Dec, Jan to March, and April to July.

I have just received and paid the invoice for September to December.

However, as part of discussions with Aldersley regarding the Darts/Comedy event, we have now received a discount in this current invoice - but I didn't say anything to you previously in case it did not actually happen - but it has.

In response to this, **the Committee has agreed that each team will receive one night free.** This will be the first night your team plays - ie you pay nothing as the court and umpire costs for your team for that night will be covered by this discount - Happy New Year !!!

(Suggestion - why not still collect your weekly fee from players so that your funds will be a week in advance in future - especially useful for those who always say to the Desk Folk 'Can't pay till players arrive')

SO - whenever you play your first match this half of the season - whether it be Week 14, 15 or 16 - there will be NO MATCH FEE.

HOORAY!!!

CHEQUES

The next depositing (at the bank) of cheques will be next week - please ensure sufficient funds.

PLAYERS

Fusion are looking for players - if interested - or if you know of anyone who might be interested - please see Kelly on Thursday.

SUMMER LEAGUE

In response to a couple of queries regarding Summer League entry - you will find an Entry Form attached - deadline = 15th March.

REPEAT - BUT STILL NOT ADHERED TO -

Please be reminded that if playing an invalid team - then both umpires AND the opposition should be notified BEFORE PLAYING - otherwise there will be a fine. There have been several occasions when the umpires and opposition have NOT been informed prior to the match and this should not happen - especially when folk then become confused as to which team players are registered for.

PLEASE NOTE - AS FROM 1.1.19 WHEN PLAYING AN INVALID TEAM THEN PLAYERS SHOULD STILL BE NAMED ON THE MATCH SHEET.

HANDICAP TOURNAMENT - 4TH APRIL

As last year, entry into this Tournament will be limited to the first 24 entries - a clipboard is on the desk for you to sign up. Entry Fee is £5 - but there will be a match fee payable on the night (but actual closing date = 8th February OR when 24 places are filled).

JULIO KNOCK-OUT COMPETITION - 11TH APRIL

As last year, entry into this Tournament will be limited to the first 24 entries - a clipboard is on the desk for you to sign up. Entry Fee is £5 - but there will be a match fee payable on the night (but actual closing date = 8th February OR when 24 places are filled).

JULIO RULES

In each match - At half-time **players on court stay in position and bibs and umpires change ends** so that teams shoot at different ends in each half - i.e. GS becomes GK, GA becomes GD, WA becomes WD, C stays, WD becomes WA, GD becomes GA and GK becomes GS - BUT PLEASE NOTE – there must be **NO other positional movements of any players apart from the official change - and there can be NO substitutions - regardless of any injury.**

Please think carefully where you wish to place your players at the beginning of each match.

There will also be 'variable player strengths' - this sounds complicated but isn't really :

When playing a team from a higher division - then play with SEVEN players

When playing a team from the division below - then play with SIX players

When playing a team from a division two or more divisions below - then play with FIVE players

Teams from division 5 ALWAYS play with 7 players.

When playing teams from the same Division, playing strengths will be determined by divisional positions (hence as 6 -7).

Up to ten players may be entered on the Team sheet - but remember that only the number of players shown on the playing schedule may be on court for that particular match - you choose who you play and in which position for each match.

PLEASE PAY

COMPLIANCE DEPOSITS AS AT 7.1.19 STILL OUTSTANDING

Compliance Deposits needing to be brought back up to £10.

Remember a reminder is usually given when your compliance remaining reaches £5

The idea of having Compliance Deposits (£10 per club) was suggested and agreed on several years ago - this was to try to avoid the continual reminders having to be given to everyone regarding £1's owed for either Extra Registrations or Fines - unfortunately we now have the situation where repeated reminders have to be given regarding these £10 compliance's.

Remember, the records are always available for you to look at at any time.

These teams need to bring their Compliance Deposits up to date or in order to be 'in front' rather than in 'arrears' -

so PLEASE PAY AS FOLLOWS :

Allsorts	£5 paid - £5 to pay please	Lucas	6 used so please pay next £10
Bluebelles	5 left so please pay next £10	Mac Arrows	All 10 used so please pay next £10
