*Should be fun - enjoy the challenge.
Winners and Runners-up will be presented at the
Presentation in June.*

This will be played as a Tournament programme with each team playing 3 matches of 8 minutes each way with 1 minute half time and 3 minutes between rounds.

In each match - At half-time players on court stay in position and bibs and umpires change ends so that teams shoot at different ends in each half - i.e. GS becomes GK, GA becomes GD, WA becomes WD, C stays, WD becomes WA, GD becomes GA and GK becomes GS - BUT PLEASE NOTE - there must be NO other positional movements of any players apart from the official change - and there can be NO substitutions - regardless of any injury. Please think carefully where you wish to place your players at the beginning of each match.

There will also be 'variable player strengths' - this sounds complicated but isn't really :

When playing a team from a higher division - then play with SEVEN players

When playing a team from the division below - then play with SIX players

When playing a team from a division two or more divisions below - then play with FIVE players

When playing teams from the same Division, playing strengths will be determined by divisional positions (hence as 6 or 7).

Teams from division 5 USUALLY play with 7 players.

For example Ice play with 7 when playing all other 3 teams, Chasetown A play with 5 players when playing all 3 other teams; Whitmore J play with 7 when playing Chasetown A and St Jets Blue but with 6 when playing Ice; Stourbridge Jets Blue play with 7 when playing Chasetown A but 6 when playing Whitmore J and only 5 when playing Ice.

Playing strengths are shown on the playing schedule and on the score cards.

Up to ten players may be entered on the Team sheet - but remember that only the number of players shown on the playing schedule may be on court for that particular match - you choose who you play and in which position for each match - BUT NO SUBSTITUTIONS..

At Half-time : Players stay in position and bibs and umpires change ends.

REMEMBER :
