The League welcomes Kodiak Stars Luna, Nova and Orion - and hope all their players enjoy their time with us.

## Macmillan Cupcakes

As you will remember we usually make two of the early playing nights (usually weeks 3 and 4) into 'Macmillan Cupcake' evenings - please let me know if you feel this should be continued - and whether we should repeat using Macmillan as the destination of the moneys raised - or if you wish to suggest a different charity.

## Compliance deposits

As you will remember, this 'Club Compliance Deposit' was originally introduced a few years ago in order to avoid the continual chasing for £1's (i.e. for Extra Registrations or Fines) - however you will have noticed in recent Bulletins the repetition of the lists of Clubs/Teams who needed to pay their next £10 in order to keep their Deposit 'topped up'.

Moreover, this has frequently been shown as an odd amount due to 'top up' as 'odd amounts' had frequently been handed in.

The Committee has decided that this £10 be increased to £15 in order to try and avoid the continual chasing - it is hoped everyone will appreciate that this may reduce the number of 'lists' having to be included in Bulletins.

The List below will bring everything in line for the beginning of the new season - so please **Pay the amounts shown in blue** before the season OR on your first evening. Late payments may incur a fine.

A few teams have credits for the new season.

If in doubt about anything then please ask - and remember the records are always available for viewing on a Thursday evening (but not at 9.20 or after – due to packing up for the night).

## AFFILIATIONS 2019-2020

As you will probably have discovered England Netball has changed its affiliation process to one where every player, umpire must affiliate independently.

Hence 'Wolumps' will no longer exist.

With it being such a busy time I personally have only just started to work out how to affiliate - both as an individual and to register the League itself - and if you are experiencing the same difficulties as myself - I can only sympathise and empathise.

## Fixtures 2019-2020

After the first four weeks there will only be competition quarter-finals and the Plate K.O. to fit in but otherwise it will be straightforward league fixtures.

Please note that every effort is made to provide a balance of first, middle and last round fixtures.

Two examples from 2018-2019 are :

Bluebelles had 6 at 7.00p.m., 10 at 7.50p.m. and 2 at 8.40p.m.

And Cresta had 4, 6, 6

Remember that whilst the basic Fixture Schedule is easy to produce - the final version is **after** accommodating requests for an evening off, accommodating those clubs with more than one team to have different times or for one team not to play at the same time as another, etc, etc - and of course trying to ensure that teams with playing umpires are spread out over the night.

Likewise, with Desk Duty - a team might be scheduled in for this two nights within months of each other then might not do Duty for 18 months or more.

My records are always available for you to peruse - just give me warning to make sure they are with me that night.

## Registrations

All Player Registration sheets have been emailed out - would those who have not yet returned a completed/updated version please do so by next weekend.

## LUCAS - BIB

Lucas are missing a small Wing Attack bib - please hand in to the Cabin if you find it at the bottom of your Netball Bag,
