AFFILIATIONS 2019-2020

Many of you have experienced (and some are still experiencing) difficulties with the new England Netball affiliation process. Some of you seem to be somewhat more experienced and capable where this is concerned - hopefully these folk may be able to help those of us that are still struggling.

If playing two competition matches on one evening - will be counted as ONE ‘appearance’ on court - so players will still have one ‘appearance’ to play before having to present evidence of affiliation on the **THIRD** appearance on court.

How this new process will be ‘checked’ has yet to be ‘tried out’ - either - individuals can present evidence (eg. on phone or better still the receipt emailed from EN) **OR** a secretary can simply hand in the club **ROSTER** – it will be checked and handed back.

Cheques

As you are aware cheques are deposited every two or three months and I usually include a warning in a Bulletin so teams can make sure there are sufficient funds.

Recently a cheque has been ‘referred to drawer’ and a charge made (£4) - this was replaced by the team but the same thing happened and another charge added. Please try to avoid having to pay these extra charges.

Playing kit

Please check the playing kit - colours and whether dress or skit and top - some teams have yet to confirm. Please can we all try to present an improved team appearance on court.

Compliance deposits

As you will remember, this 'Club Compliance Deposit' was originally introduced a few years ago in order to avoid the continual chasing for £1's (i.e. for Extra Registrations or Fines) - however you will have noticed in recent Bulletins the repetition of the lists of Clubs/Teams who needed to pay their next £10 in order to keep their Deposit 'topped up'.

Moreover, this has frequently been shown as an odd amount due to 'top up' as 'odd amounts' had frequently been handed in.

The Committee has decided that this £10 be increased to £15 in order to try and avoid the continual chasing - it is hoped everyone will appreciate that this may reduce the number of 'lists' having to be included in Bulletins.

The List below will bring everything in line for the beginning of the new season - so please **Pay the amounts shown in blue** before the season OR on your first evening. Late payments may incur a fine.

A few teams have credits for the new season.

If in doubt about anything then please ask - and remember the records are always available for viewing on a Thursday evening (but not at 9.20 or after - due to packing up for the night).

Fixtures 2019-2020

After the first four weeks there will only be competition quarter-finals and the Plate K.O. to fit in but otherwise it will be straightforward league fixtures.

Please note that every effort is made to provide a balance of first, middle and last round fixtures.

Two examples from 2018-2019 are :

Bluebelles had 6 at 7.00p.m., 10 at 7.50p.m. and 2 at 8.40p.m.

And Cresta had 4, 6, 6

Remember that whilst the basic Fixture Schedule is easy to produce - the final version is **after** accommodating requests for an evening off, accommodating those clubs with more than one team to have different times or for one team not to play at the same time as another, etc, etc - and of course trying to ensure that teams with playing umpires are spread out over the night.

Likewise, with Desk Duty - a team might be scheduled in for this two nights within months of each other then might not do Duty for 18 months or more.

My records are always available for you to peruse - just give me warning to make sure they are with me that night.
