AFFILIATIONS 2019-2020

Many of you have experienced (and some are still experiencing) difficulties with the new England Netball affiliation process. Some of you seem to be somewhat more experienced and capable where this is concerned - hopefully these folk may be able to help those of us that are still struggling.

**HOWEVER, AS A ONE-OFF FOR THIS YEAR ONLY –
THE COMMITTEE HAS AGREED TO ALLOW AN EXTENSION
OF TIME FOR AFFILIATIONS TO BE COMPLETED -
"ANY PLAYER HAVING PLAYED IN WEEKS 1,2,3 AND 4
MUST PROVIDE EVIDENCE
OF AFFILIATION ON OR BY 3rd OCTOBER".**

After 3rd October the League will revert to the ruling of a player going onto court for the THIRD time MUST have shown evidence of affiliation - otherwise the match will be forfeit.

One club only

Please remind your players that they must only play for ONE CLUB in the Winter League (unlike the Summer League) - IF a player does play for a second club anytime then that match will be forfeit.

Clubs with more than one team may play for a higher team as a Temporary Transfer (up to 3 times) but will be permanently transferred on the fourth time of playing up - please see the Welcome Package as below :

If playing 'up' then 'TT XX' (XX being the abbreviation of the registered 'home' team) MUST be added by the name on the Match sheet.

If playing an ineligible player then the match **MUST be declared as invalid** to the opposition as well as both umpires **BEFORE the match begins**. Umpires are asked to mention this on the reverse side of the score cards - likewise if a team is not on court (i.e. late) with at least 5 players so start the match on time.

Competitions

IF Temporary Transferring for a K.O. players may only play 'UP' NOT DOWN.

Do remember that once having played in a K.O. then that player is cup-tied to that team.

Registrations

All Player Registration sheets have been updated and will be inside your League Wallett - please check the lists - i.e. that all details are correct and that any details missing are handed in or emailed on Friday - there are a few players on lists without any details and this COULD result in loss of points so please sort.

If using the 'extra Registration slips' please ensure you use the new 'long' slip and not the old 'short' slip.

(Please avoid any confusion between Diamonds in Div.4 and Chasetown Diamonds in Div 5)

Congratulations to :

Rachel Henden of Diamonds on her recent marriage - best wishes to Rachel and her husband for a long lifetime together.

Macmillan Cupcakes

As you will remember we usually make two of the early playing nights (Usually weeks 3 and 4) into 'Macmillan Cupcake' evenings – please let me know if you feel this should be continued - and whether we should repeat using Macmillan as the destination of the moneys raised - or if you wish to suggest a different charity.

PLEASE LET ME KNOW IF YOU WISH TO HAVE A MACMILLANS CUP-CAKE EVENING OR NOT.

Compliance deposits

As you will remember, this 'Club Compliance Deposit' was originally introduced a few years ago in order to avoid the continual chasing for £1's (i.e. for Extra Registrations or Fines) - however you will have noticed in recent Bulletins the repetition of the lists of Clubs/Teams who needed to pay their next £10 in order to keep their Deposit 'topped up'.

Moreover, this has frequently been shown as an odd amount due to 'top up' as 'odd amounts' had frequently been handed in.

The Committee has decided that this £10 be increased to £15 in order to try and avoid the continual chasing - it is hoped everyone will appreciate that this may reduce the number of 'lists' having to be included in Bulletins.

The List below will bring everything in line for the beginning of the new season - so please **Pay the amounts shown in blue** before the season OR on your first evening. Late payments may incur a fine.

A few teams have credits for the new season.

If in doubt about anything then please ask - and remember the records are always available for viewing on a Thursday evening (but not at 9.20 or after – due to packing up for the night).

Fixtures 2019-2020

After the first four weeks there will only be competition quarter-finals and the Plate K.O. to fit in but otherwise it will be straightforward league fixtures.

Please note that every effort is made to provide a balance of first, middle and last round fixtures.

Two examples from 2018-2019 are :

Bluebelles had 6 at 7.00p.m., 10 at 7.50p.m. and 2 at 8.40p.m.

And Cresta had 4, 6, 6

Remember that whilst the basic Fixture Schedule is easy to produce - the final version is **after** accommodating requests for an evening off, accommodating those clubs with more than one team to have different times or for one team not to play at the same time as another, etc, etc - and of course trying to ensure that teams with playing umpires are spread out over the night.

Likewise, with Desk Duty - a team might be scheduled in for this two nights within months of each other then might not do Duty for 18 months or more.

My records are always available for you to peruse - just give me warning to make sure they are with me that night.
