Starting date

There will be many of you disappointed at the following announcement - and you are not alone - but needs must I fear - and there was a warning in the last Bulletin of such a possibility.

Hence

Due to the increasing current Covid-19 and more areas being in Lockdown or in higher restrictions - with serious concern about the health and wellbeing of everyone in the League the Committee has agreed that - for everyone's safety - the 5th November restart has been postponed.

Obviously this is regrettable - and sad - but I can only hope that you will accept and understand this decision - which has not been taken lightly.

I know we all look forward to returning on Thursdays - and indeed, all is prepared for whenever this happens (non-contact thermometers, notices, aprons for workers, etc, etc) - it will be 'all systems go' - but for the moment we must all be patient.

Meanwhile, it is hoped that everyone - players and umpires alike - are making efforts for keeping fit and ready for the long-awaited moment.

Keep safe and healthy.

Please REMEMBER

As something of a booster for everyone it has been agreed to GIVE each team a FREE match on their first appearance - ie. no paying of the £18 match fee ie.

EVERY TEAM WILL BE GIVEN THE FIRST MATCH

FREE

NO £18 to be paid for your first Match

This will be regardless of whether this is the first, second or third Thursday night of the League. Hence if teams still collect their match fees on the first time of playing, this could help teams build up a kitty in advance of when needed – as you will see from the info in the League Covid-19 You are being asked to put any moneys you need to hand in, into an envelope showing club name (cheques would be appreciated) and the deposit same into the container at the entrance.

Should there be anyone interested/willing to join the Committee - please let me know.
