Great news - Congratulations to Mary Turnbull

Mary has just received a

“BEM for services to sport and the community in Wolverhampton
as a coach to Whitmore Netball Club”

Mary – we congratulate you and salute you – the award is well deserved – and we are pleased to
still have you as our Vice-chair. Long may this last.

Enjoy the Award - British Empire Medal !

Dot Davies

Dot Davies (Umpire) has a broken ankle and is in hospital - best wishes for a speedy recovery.

Linda Thomas (Umpire and Sapphires secretary)

Positive for Covid-19 - BUT - is still at home and showing considerable improvement - best
wishes for a speedy recovery to full health.

Restart date

I still really don't know when we will be able to take the 'plunge' and restart the League - had been hoping for mid-January - but after Boris' latest edict it looks like it may be further away. However, let's live in hope that Tier 4 areas may soon revert to Tier 3 and then Tier 2 so that, hopefully, we may be back together on Thursdays in the near future - especially with a vaccine being in operation.

Obviously all will depend on how the Covid-19 situation develops - as well as Vaccine availability. Thank you one and all for the patience and understanding shown - I know we are all looking forward to returning to Thursday evenings at Aldersley - but even those from Tiers 1 or 2 are being discouraged from travelling into Wolverhampton as it is now in Tier 4 - let's hope things take a turn for the better soon.

When we do restart - the Committee suggests that we operate as a 'Friendly' League for the remainder of this season (however long or short that may be) - and hence provide some flexibility - I am sure that most of you will have been thinking along these lines already so it won't come as a surprise.

The mechanics involved will be sorted out once we have a green light.

Meanwhile - it is sincerely hoped that each and everyone in our Netball family remains safe and strong - and may you all enjoy whatever kind of New Year celebrations you manage to arrange.
